product, key, home, activation

Problem (public)

What is KOMPAS-3D Vx Home product key and what is it used for?

Solution (public)

KOMPAS-3D Vx Home product key is used for license activation.

Product key is printed on KOMPAS-3D Vx Home distributive box or - if you purchased the software through online store - is sent to you by email.

Product key consists of Latin letters and digits separated by dashes, e.g. 003d411c-7586-4d44-9b3c-cc4012b02ce9

License activation is described in FAQ#[1]7001157.
